CLEAN UP DAY IS ORDER OF POLICE

THOSE WHO DO NOT CLEAN UP WILL BE HALED INTO JUSTICE COURT

For the benefit of those who are not actuated by public spirit to clean their premises tomorrow or Saturday it is well to remind them that the clean-up is an order that must be obeyed. If you don't take sufficient interest in appearances and are not willing to do something for the improvement of the town you are likely to be summoned to visit the justice court and explain why you should be in a refractory state of mind. This carries with it the costs of a hearing and at the end of the conference with Justice Dunsenath you will find it would have been infinitely cheaper to have done as you were told and clean up.

The clean-up day is an order of the health officer and the chief of police and every good citizen will hope the order is enforced to the letter.

It flushes the system of waste. Most people drink too little liquid. Their systems become clogged with waste, thus impairing the efficiency of the nervous and digestive organism.
